Friend and Partner in Christ,

Shalom!

We want to thank the Lord for all Covenant Partners who supported the Ministry in 2008. 2008 was a year of challenges and a year of new beginnings for some.

We also welcome our RWOMI Five-Fold Network to RWOMI Family.

As we look forward to the coming year, let us recognize that '9' is the number of **'gestation, production, mature development, harvest, fruit and judgment** [Galatians 5 vs. 22:23], **famine, trouble, blessing and promotion.'**

2009 will be the year where the faithful will rise, the impossible will become possible. There is a shift taking place, and *'the least'* will now come forth - the Davids, Joshuas, Pauls, Daniels and Samuels.

The shift is also not only in color, but class, status, and culture as well. Hence, *"The stone that the builder rejected will become the chief corner stone"* in 2009 and onward, according to Luke 20 vs. 17

God wants you to be a spiritual shareholder in the Ministry.

- ◆ Junior Shareholder—\$50.00 and under monthly
- ◆ Senior Shareholder - Over \$50.000 monthly

This is the greatest stock market in the world to invest in, and that is because it is Kingdom operated! You get a 100-fold yield - Genesis 26 vs. 12:13. Nothing will affect this stock market!

Invest in the Kingdom! Hidden treasures await you— Matthew 13 vs. 44 - 46.

Be faithful in 2009, and sow your way out of famine. *Trust God and be blessed!*

Yours in Christ

Apostle Steve Lyston

Be a Monthly Partner in this Ministry and walk in the Blessings of the Lord!

Give as little as \$25 per month or as much as your heart desires! But the work of God must go on and souls need to be won to Christ!

We need your help to do it! This is an opportunity for God to release to you the breakthrough you have been seeking Him for!

Give, and receive it!

The Prophetic Word of the Lord!

Let us recognize that '9' (nine) is the number of **'gestation, production and matured development, harvest, fruit and judgment'**. (Galatians 5: 22 – 23)

Many have said that the church has failed. But the Church has not failed! It is the Church Leaders whom God has given access, the Business and the Political Leaders who refuse to listen to the instructions of the Lord who have failed!

But remember the Word of the Lord in Matthew 16: 18 – 19, *"And I also say to you that you are Peter, and on this rock I will build My church and the gates of Hades shall not prevail against it. And I will give you the keys of the kingdom of heaven, and whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven."* [USE THE KEYS!]

* * *

1. God is asking, ***"Where are the nine that were cleansed? Why have they not returned to give the glory to God for healing and deliverance?"*** God is calling on the ***'ungrateful nine'*** to repent or the will lose their blessing. Luke 17: 17

2. Watch for God's judgment on the earth in the ninth year – famine, floods, fires, disasters even in subways, plane crashes, hurricanes, earthquake, civil war, suffering untold and death.

3. Numerous souls will be saved in the ninth year, but many souls will perish also in the ninth year. God is calling on the Church to repent and get ready to reap souls in the ninth year.

4. The Church must be ready for the harvest. What was difficult in the eighth year will be easier in the ninth year. Cast your net again for the great catch in the same place where you once found it difficult. (Luke 5)

5. The faithful that have sown in the sixth (6th), seventh (7th) and eighth (8th) year will reap in the ninth Leviticus 25: 18 – 22 – the old and new harvests.

6. There is a great harvest coming upon the earth (Revelation 14: 14 – 16 & Psalm 126)

- Harvest of Finance (II Corinthians 9:6; I Corinthians 9: 11)
- Harvest of Souls (Matthew 9: 37 – 38; Matthew 4: 29)
- Spiritual Harvest (Psalm 126: 5 – 6)
- Harvest of Rewards for Actions/Deeds [Good or Bad] (Hosea 10: 12; Galatians 6: 7 – 9)
- Harvest of Famine for the Word of God (Amos 8: 11)
- Harvest of Deception (Matthew 7: 15 – 20; Matthew 24: 11 – 22)
- Harvest of Restoration for the Faithful (Isaiah 32: 20)
- Harvest of Disasters as have never been seen before (Haggai 1: 6; Isaiah 40: 24)
- Harvest of Judgment on the wicked (Hosea 8: 7)

7. Woe to financial institutions that rob God's people in business transactions. High interest rates and hidden clauses! The investment schemes have come up before God. God is about to bring down numerous companies. 'Examine your practices' says God! The plunderer is about to plunder you!

8. Saith the Lord: "Where are those to warn My people! Rise up Prophets I will speak to you! Come out of your prayer closets; weep and wail. Cleanse yourselves! A time of visitation is near! I hear the speech of the wicked leaders. They are haughty! I have seen their lifestyle. It is a bother to me. Your yearning is after power and riches. God's people are led astray for lack of knowledge. Awake unto righteousness. Church Leaders, stop your merchandizing! Repent before it is too late! GO and feed My flock. The Lord will judge His church in 2009 for blessings or judgment, and He will also uncover! (Hosea 6: 11) He will deal with Church leadership, money changers and corrupt prophets in 2009!

9. A number of God's pioneering might men will be with the Lord in 2009 (Genesis 5: 27)

10. The Body of Christ will come under serious tests and trials and judgment from the Enemy, having rebelled against God and rejected the good. They endorse kings and princes that the Lord did not endorse or acknowledge. They tried to establish their own government and even their own religion apart from God. Until they return to pure worship, God will not deliver until they repent of Apostasy. (Hosea 8: 5 – 9)

11. The Lord is warning the church of deception and alliance (for money). Be careful of mixed multitude! Be careful of the golden images! Be careful of what you purchase! What God has freely promised – protection, provision – do not seek help from the enemy to get it. (Hosea 8: 5 – 9)

12. God will punish the nations that have rejected the Word of His true prophets to shape the nations. (Hosea 6: 4 – 5; Matthew 23: 37 – 39; Hosea 7: 12) Do not seek God for provision without a revelation of who He is! Seek Him as God!

13. The Lord is calling on the Body of Christ to repent. Stop the envy and jealousy. You are the greatest obstacles to the revival God wants to do. (Stop the sexual and financial manipulation of His people. You are only interested in accolades from men and power – me, myself and I!

14. Due to the financial situation many persons will fall away if they are not vigilant. You will receive many offers to earn, which are not the will of God for you and these offers will pull you away to false religions. Be warned.

The Prophetic Word Of The Lord (cont'd)

15. God is calling His people to seek Him in prayer and fasting regarding investments before they invest. Says the Lord, *"The world's way of doing business is not in the interest of My people."* God wants to give His people revelation in order to get wealth. Sow a seed (US\$ or JA\$) of \$57.69 according to this Jewish year 5769. Sow a seed (US\$ or JA\$) of \$107 extra monthly, according to Psalm 107. Sow this for your harvest – 5 major blessings await you. Sow also (US\$ or JA\$) a seed of \$8,717 or \$717 for your breakthrough! (Genesis 8: 4)
16. Watch the first 150 days of the year. Additionally, watch – **April 09, 2009, May 07, 2009, July 17, 2009, September 06, 2009, September 24, 2009, October 10, 2009, October 27, 2009, November 17, 2009, November 18, 2009 and November 19, 2009** specifically. Change and deliverance, while there will be judgment on the wicked. (Genesis 1 – 4). A great wind will blow over the earth!
17. Short tenure for leaders who are not obeying Godly instructions, some will not last more than two (2) years if they don't repent.
18. Famine will increase in the (9th) ninth year (II Kings 25: 1). Wars and Coups will take place – nations, army personnel and Churches will be under attack!
19. More businesses will close, crops will fail, mergers will increase and those who abide by Godly principles will stay alive.
20. The ground will no longer bring forth prosperity and fruits – Genesis 4: 12 – unless the nation repents. Blood is crying out from the earth; God is about to move because of the blood that has been shed in Jamaica. (Read also Isaiah 26: 21; Job 16: 18 – 19)
21. If the Jamaican Government and the private sector start to use Biblical Principles including Tithes, Sowing Of Seed – Giving to churches especially within your gates (Malachi 3: 8; Genesis 8: 22) God will turn around businesses that will comply.
22. God is calling on His people to seek Him regarding birth control. The enemy of souls wants to wipe out God's children – particularly Christian families. The Spirit of Herod and the Spirit of Abortion want to wipe out this generation. Pray against these spirits. (Exodus 1 - 2 & Matthew 2)
23. Many are crying in Jamaica for God to move regarding crime or change, no change will come until the leaders obey God's instructions. (Deuteronomy 28) God is not mocked. What you sow you will reap!
24. The Lord wants to talk to a lot of VIP's/ Business Executives, Government Personnel Churches and Nation Leaders. You are too busy to pray and listening to Him, or you are too busy to take a phone call from His servants to warn, instruct or direct you. For many this will be their last chance. Ensure that God is in your plans and you're a part of your schedules in 2009. (James 4: 13 – 17)
25. God is calling on the USA to change their tactics and strategies. They are not fighting a physical war, but a spiritual war. If they will not abide by Biblical Principles they will suffer heavy defeat in the future; which will result in crisis.
26. The Lord says it does not matter what infrastructure or building plans businesses and nations put in place; if the Lord is not part of it, it will be in vain. Time and resources will only be wasted, and even security measures will come to naught (Psalm 127: 1)
27. God is warning America not to form alliances with former foes. That is deception! A leopard cannot change its spots. The enemy does not change. They are getting wiser. Be warned! It will cause problems in the future.
28. If America calls an immigration amnesty, restore Biblical Principles in schools and workplaces, give tax reductions, there will be great blessings ahead. Health care and seek God's Apostles and Prophets with the Governmental anointing – God will bless.
29. If America fails to get back to God, great deception and embarrassment lie ahead. They will need the help of the countries they have neglected in the past; including third world and African nations.
30. A worldwide birthing and revival will take place, but God will not be in it! (Jeremiah 5: 12 – 13).
31. God is about to judge the Eli House. Something will happen that will cause the ears of persons worldwide to tingle. (I Samuel 3: 11 – 14) The House of Eli has failed to correct their sons!
32. God is calling on nations to start to store for 2010. Famine and food shortage will be seen as never before.
33. America is involved in too many wars at one time! They are spreading their resources too thin. They need to pull back, refresh and replenish, so they can deal with greater challenges ahead.
- "My hand is heavy upon the United States and upon Jamaica. I have extended my mercy toward those two nations ever so often. But all the Leaders and persons within the Body of Christ do is to abuse this privilege. Swords are drawn over these nations because of the increase of bloodshed, corruption and failure to obey God!" saith the Lord.
- If the Jamaican leaders – public, private and governmental – do not repent, all their plans will come to naught. (Psalm 127: 1) God cannot bless a mess. You must first repent as in Joel 1 and 2. Then use Biblical Principles to build the House if you want success.

The Apostolic Times

The Prophetic Word of the Lord! (cont'd)

36. It is imperative that America strengthens its alliances with the Caribbean, Africa and Israel for economic opportunities and also for security reasons; because other countries will seize the opportunity which will be a threat to America.

37. The Caribbean countries must be careful of their alliances. In Trade and Asset Sales there are hidden motives and wolves in sheep's clothing.

38. The nations of the world need to stockpile at least 5% of food to help the poor as the famine will increase (Genesis 41) many will die of hunger.

39. There will be worldwide shortage of medicines. God is calling nations to seek alternative paths before it is too late. (Luke 21)

40. More banks, investment and insurance companies will close or merge. Staff will be laid off because their principles. If they don't turn major collapse will take place in 2009. They need to come clean. God is not pleased with financial bailouts of these companies, it will backfire. 'Bail out' must be given to the poor and those assets that have been taken away must be given back, if they (businesses) want God's blessing – give Justice! (Nehemiah 5)

41. God is giving the nations of the world, businesses and individuals, the opportunity to get the greatest harvest by sowing in time of famine (recession). They will get a hundred-fold blessing (Genesis 2: 12 – 13) in addition to another threefold blessing – if they give to the work of God or to a man or woman of God!

42. Gold does not lose value in time of famine, neither does seed invested in God's Kingdom. He will allow you to invest in gold as you invest in the Kingdom of God.

43. Bailing out small businesses is what government official should consider; not large corporations from which God gets no glory! There is a shift taking place – not

God is ready to bless small businesses that are willing to abide by His principles. Many longstanding empires will crumble.

44. There is too much friendly crossfire in intercession in the nation of Jamaica. The motives and attitudes of intercessors are wrong. (Luke 18: 7 – 14; I Kings 18) God wants the nations' leaders to confront the spirits of Ahab, Jezebel, Pharaoh and Herod if they want change. While it is the duty of the nations of the world to impose laws to protect their people and bring justice for offenders; hanging will not reduce crime. It will instead cause it to increase. The root of the problem must be addressed. Don't create the problem and then pass laws as the solutions – God is not mocked! Repent! Repent!

45. Because of the disobedience of the Leaders – the leaders who have not heeded the warnings of God's true Apostles and Prophets, there will be disaster and much loss – not only of cargo and ship, but also of lives. (Acts 27: 9 – 14 & 21) A Euroclydon wind is about to blow on Jamaica and the Caribbean, which will cause more hardship, violence, outrage and serious damage to the nation. The nations' leaders more persuaded to listen to longstanding helmsmen and owners of the ships who are not connected to God. A major exodus will be taking place from Jamaica and the United States of America.

46. There will be a period of brief prosperity, watch the next two years especially regarding Jamaica and the USA. Pray for Jamaica and USA - move quickly and make efforts to store quickly in time of plenty.

47. Former President will come under fire now that Obama has won.

48. America is on a downward path. The Stock Market will be like a whirlwind. There may be some controversy in San Francisco. Possible state funeral ahead.

49. Many secular leaders are coming with things that can go against God's people.

This is the time for the time will come when they want to speak out and cannot because laws would have already been made. God wants to the anointed 'up-front' leaders in the nation to speak to the nations and not to align with any one party.

50. Jamaica has been warned so many times, but God is looking for a man or a woman to stand in the gap to warn the nation. It is not about riches or fame, it is Glorifying My Name. That is why the nation is so corrupted. Those that should be lifting up My Name and seeking My Face have silenced My Prophets.

51. The foundation of St. Thomas Jamaica is very soft and the entire parish may sink!

52. There will soon be fewer shops, less supermarkets, fewer restaurants, less schools and fewer homes bought into Jamaica because the economy is dwindling. These things will happen because the leaders of Jamaica are not obeying Me. Many of the cabinet members will lose their seats in Jamaica and the Caribbean. Longstanding distribution company will be closing down some of its sub-divisions

53. Many who are judges now will no longer be judges and many who are lawyers will no longer be lawyers because of corruption. I see no Justice System in Jamaica.

54. There is going to be a major crisis within the White House that only some of My Spiritual Leaders that I will choose will be able to handle by the leading of The Holy Spirit because they will realize that one cannot run the economy without Godly principles.

55. The Spirit of the Lord will be visiting every person within the Governmental Sector of Jamaica!

The Prophetic Word Of The Lord (cont'd)

56. Pray against State of Emergency being called in Jamaica and that help will not be sought from certain major allies. The nation must obey God; it is the only way the nation's problems will be solved. Seeking external 'help' is a waste of time and resources.

57. A former Jamaican Prime Minister (PP) and Double G are going to be very ill; they need to surrender to Me now! Someone is after LC in Jamaica. A young opposition MP may step down from politics because of death threats. Pray for LH and KB. R/E boss, DT, may be attacked with a serious illness and now is the time for him to surrender to Jesus Christ. DW's life is at stake and we need to pray for him.

58. Time is running out for the following politicians, businessmen and other VIP's, they need to give their lives to the Lord – DM, DN, PP, CM, BS, DW, MLC, HB, KB, NY, SF, RN, ES and RA.

59. There will be more financial crisis-many store fronts will be empty. They will only be filled with boxes packaged for removal.

60. Major deception happening in the Body of Christ, false teaching and the spirit of mammon have taken over, the spirit of Tobiah have found themselves in the church's upper room.

61. The murder rate is sky-rocketing because of satanic works and much of the crime that is taking place in Jamaica is organized crime to embarrass the authorities. If Jamaican PM refuses to call the nation in fasting and use Biblical Principles, there will be weeping and wailing in the nation.

62. 700 people will be killed by a virus from a Spanish Country. Many medications that are coming forth right now will not have any effect on certain deadly diseases, but they will still push these drugs for money purposes. Many drugs that are coming on stream within the market will cause serious harm, such

as Cancer, Hypothermia, Blindness. Kidney disease will be on the rise in America and England.

63. Civil war may develop in Germany. Pray for Belfast, North and South Korea, Yugoslavia and France because war may break out in these countries. Pray also for Australia, London (England), Israel, Japan, Iraq, Iran, Syria, Egypt, China and the Latin American countries. Further, three (3) major cities will suffer great distress. The Spirit of the Lord says that there is a typhoon that is going to hit China. North and South Carolinas will experience disaster.

64. God will stay behind the enemy and turn around the economy if they cry out. Nations from the North, East, South and West have souls, who want to serve God, but because of the oppression and idolatry many souls have perished and they will be responsible for souls that have perished because they refused to let His people go. Many Leaders know that I Am God and they refuse to serve Me. If they will not surrender and acknowledge My Word, they will be a cry and there will be weeping.

65. Countries in the North, Europe and Asia have heavy strongholds on Jamaica. There is also a group in Jamaica being trained to constantly carry out merciless killings. There is going to be an outcry in the streets of America for little children. There is a religion that is going to pass that has a voice that many will listen to. There will be civil war in Mozambique, Chile and Jamaica. There are plans to assassinate the late President's son.

66. The enemy of souls seeks to attack the children more now through the food they consume. Pray against this!

67. 'Yea', saith the Lord, *'the nations land needs to be warned of the coming judgment. Many have perished for the lack of knowledge.'* There is a war going on right now in Jamaica. Pray against attack on the city that never sleeps. Persons need to pray for the new President of the U.S.A and his family. The evil ones will

want to vent their anger on him because he is not doing what they want. There is coming when every knee shall bow and confess in their secret closets and cry out.

Many of My servants know of things that they should bring to light, but for the sake of pride, My Words are held back. They shall be judged, Warn Them! Warn Them! There is a curse over Jamaica that was released and it has to be broken or else crime will increase. It's an undercover network, it came about by the price of blood and until one of the head one is touched or is taken down, it will not cease.

Who will call a solemn fast according to Joel 2? Who is willing to stand up against wickedness and unrighteousness and declare that God is a just God? Someone will be held responsible, they know the root cause and they fail to address it.

The men of God should go to St. James (Jamaica) and declare war against the enemy. Why are they not vocal on the evil that is in the land? Those that I have chosen, the men that are called the ministers are responsible from St. Thomas to St. James to Westmoreland to St. Mary to May Pen, St. Catherine and Kingston.

The three wicked kings will come to their end for I have seen and have heard. Watch 2009, if The Lord tarries Dec 2009. There is a foreign influence in the island of Jamaica to overthrow, but because of the nature of the Jamaican people, they are very careful in being skilful.

Pray for the protection of Jamaica's top House. Weep! Cry out for the country, many believers will not be able to come to church because the enemy will bring fear upon those who worship the Lord to be feared. Many are not able to go to church!

The Prophetic word of the Lord!

73. Many car dealers in America will be closing down because the constant recession being faced causing huge net losses. There are some well-known boutiques that will declare bankruptcy beginning January 2009.

74. For Crime to be reduced in Jamaica and the Caribbean there needs to be an examination of the alliances that have been formed with some nations, and these alliances are the major contributors to crime in Jamaica and they must be broken. (I Kings 11; Joshua 7) The past and present Administrations have opened the door for these alliances through Trade and Investment. If action is not taken quickly to break these alliances, part of Jamaica will sink! God wants Jamaica and the Caribbean to stand on their own. All is there for that to take place. These nations will want impose laws that are anti-Christ in nature and go directly against Biblical Principles.

75. Thus saith the Lord, "My Heart is aching for the Body of Christ. Many are still at the outer courts looking in when they should be in the Most Holy of Holies. There is too much hatred among people. Many are just itching to satisfy the lust of the flesh. Where are all My Intercessors within the Body that I have appointed? Some of them are praying, while some are still sleeping. Some have resorted to divination. Where are My True Worshipers? Repent, Repent, Repent My People! No matter what I give My People they still complain, they cannot be satisfied. They seem to forget that what My Son (Jesus Christ) did at the Cross was enough. Who is on the Lord's side?"

76. Major shake ups in Hollywood and bankruptcy for many stars!

77. For the world to walk in prosperity, God's Church must walk in true prosperity first. Any laws that nations try to put in place which will affect the Church negatively, will backfire on the nations' economies. (Haggai 1: 7 – 9)

78. Increased surveillance needed at that 'harbor projection' in Jamaica's main city.

79. To the leaders and the people – spiritual or secular, government or opposition, God says "I have seen and heard you, your plans and actions. I am about to sweep through and remove the coverings and hedges." (Isaiah 1: 5, 10 – 11, 13 – 20), God says He has had enough of your burnt offerings of rams! **'Bring no more futile sacrifices; incense is an abomination to Me. The New Moons, the Sabbaths, and the calling of assemblies – I cannot ensure iniquity and the sacred meeting.'** (Isaiah 1: 13) (Read also Amos 4: 6 – 13) The epicenter of crime in Jamaica is in the west. Where are the Watchmen, Priests and Pastors? Where are those who call themselves the Fathers of the Nations? (Matthew 23: 37 – 39)

80. The Caribbean countries need to strengthen their relationship in trade, culture, tourism, business and religion. Great blessing will come to Caricom if they have a new vision for the region. A Caribbean Research and Development Center must be set up which will deal with the hidden treasures in the Caribbean and bring them forth!

81. God shall move mightily in Latin America and Latin Country in 2009. Chile is about to rise economically. Many of the Latin American Countries will look for help from Columbia.

82. Panama and Costa Rica need to be careful of agreement and financial ties they are getting into.

83. God said is not forgotten. God is about to raise up a standard against the enemy.

84. The Caribbean and Latin American Region will become like twins.

85. God says "I am calling Venezuela out of the Dungeon. The time has come for Venezuela to be resurrected from the tomb. There will be a shaking in Venezuela. God shall shake every area in Venezuela.

86. God says "I am calling Ecuador. You will be known by many.

87. The world is heading back into the most sophisticated "cold war era". Especially in investment and Defense.

88. America and England need to review their foreign policy to remain economically viable. The stone that the builder refused will be the chief corner stone.
